

Certificate of Conformity of the Factory Production Control

This is to certify that:

McGrady Engineering Ltd
Red Lonning Industrial Estate
Whitehaven
CA28 6SJ
United Kingdom

Holds Certificate No:

0086-CPR-617966

In respect of:

EN 1090-1:2009+A1:2011 - Execution of steel structures and aluminium structures.

This factory production control system certificate covers the manufacture (including welding) and installation of structural work in steel and aluminium up to and including Execution Class 4 (EXC 4) as defined in EN 1090-2 and EN 1090-3.

In compliance with Regulation 305/2011/EU of the European Parliament and of the Council of 9 March 2011 (the Construction Products Regulation or CPR), this certificate applies to the above construction product.

This certificate attests that all the provisions concerning the assessment and verification of constancy of performance described in Annex ZA of the above standard under system 2+ are applied and that the factory production control fulfils all the prescribed requirements set out above.

For and on behalf of BSI,
a Notified Body for the above Regulation
(Notified Body Number 0086):

Gary Fenton, Global Assurance Director

This certificate remains valid as long as the test methods and/or factory production control requirements included in the harmonised standard(s), used to assess the performance of the declared characteristics, do not change and the product(s), and the manufacturing conditions in the plant(s) are not modified significantly.
